Hanson Hills Offers 2 Free Adult Ski Nights

Hanson Hills is offering two free nights of skiing and use of rental equipment for adults in Crawford County. The first free night will be Monday, Feb. 23rd, for adults (16 and older) living in the City of Grayling, Beaver Creek Township, and South Branch Township. On Mon., March 2, adults from Grayling Township, Maple Forest Township, Lovells Township, and Frederic Township can ski free. All you need to ski free on your night is a voter registration card or tax statement showing your township on it. The free nights are to say thank you for your support of Hanson Hills.

Chamber's 'Business After Hours' Set for Thursday, February 19

The Grayling Chamber of Commerce has scheduled another "Business After Hours" gathering for Thursday, Feb. 19, from 5 to 7 p.m. at Chief Shoppenagons. The Grayling State Bank and Chemical Bank North are sponsoring the gathering and admission price is \$3.

Avalanche Office To Stay Open During Lunch Hour

The Crawford County Avalanche has expanded its business hours allowing the office to remain open during lunch hour from 12 noon to 1 p.m. The office is also opening a half hour earlier at 8:30 a.m. The new hours, from 8:30 a.m. to 5 p.m. including lunch hour, started Feb. 9 at the downtown office at 100 Michigan Avenue. The Avalanche's previous business hours were 9 to 12 noon and 1 p.m. to 5 p.m.

Free Movie Rentals Offered For Community-Oriented Films

Showtime Video, of Grayling, is offering free rental of five special movies to Crawford County residents. The films are "Say No! To Drugs," "Not My Kid," (a drama about teenage drug abuse), "Strong Kids, Safe Kids," "Too Smart for Strangers," and "Drug Free Kids." Showtime Video owner April Stuck said the films will be rented for free and distributed to various community and school groups as a community service. "There appears to be a great deal of concern on these topics as evidenced by the recent formation of so many groups to address these topics," she said. "We felt that our purchase of these movies and offering them for free rental provided a method for us, as a family and a business, to contribute a positive influence and to show our appreciation for the warm reception this community has given us."

Infant CPR Program Offered February 25

Mercy Hospital, Grayling in conjunction with Northern Michigan Emergency Medical Services will offer a certified program in Infant/Children Cardio Pulmonary Resuscitation (CPR). This three hour program will be held Wednesday, February 25, at Mercy Hospital beginning at 7 p.m. in the River-side Room. Individuals completing this program will receive a Michigan Heart Association certificate for program A — Infants/Children. This program is appropriate to parents with new babies, infant/

child care givers, grandparents, and baby sitters. The program will provide instruction in choking (airway clearance procedures), resuscitation, and basic heart information. A \$5 registration fee, payable at the Wednesday program, covers expenses and will go to the Michigan Heart Association to help defray the cost of replacing the mannequin used in training. Pre-registration is required as space is limited. Interested persons should call Pat Hanson at 348-5461, ext. 120 to register.

Hanson Hills Wins Special Olympic Award

Hanson Hills was singled out for its contributions to the Special Olympic program at the 1987 Michigan Special Olympic Winter Games Thursday, Feb. 12. Hanson Hills Recreation Area won the Outstanding Local Sports Organization award for its role in helping Special Olympians in the Area 4 (Crawford, Ogemaw, Roscommon, and Oscoda counties) Special Olympics. Hanson Hills offers its facilities and equipment to more than 100 Area 4 Special Olympians to practice for the winter games. Hanson Hills also hosts a Fun Day for more than 300 mentally impaired persons. Scott Remsing, manager at Hanson Hills, received the award at a luncheon at Sugar Loaf Mountain.

GHS Joins Conference For 88-89 School Year

Grayling High School will join a new conference in the fall of 1988 made up of eight of the ten present Michigan Huron Shores Conference members.

The Michigan Huron Shores Conference will disband at the end of the 1987-88 school year and the new league, yet to be named, will begin for the 1988-89 school year. The other schools in the new conference are Gaylord, Cheboygan, Charlevoix, Petoskey, Rogers City, St. Ignace, and Sault Ste. Marie. Grayling had also applied to join the North East Michigan Conference in 1988 but that conference decided not to expand in a vote last month.

In other Crawford AuSable District news, Superintendent Kent Reynolds presented his fifth annual State of the School message to the school board on Feb. 9.

The following are excerpts from the 1987 State of the School message:

...Solving the problem of the middle school facility has been the highest priority goal in the district since 1973, the year the present high school building opened. Thanks to the taxpayers of the community, we will complete the thorough renovation of our 1916 middle school building early this summer in time to open in September. All mechanical systems are being replaced in both the 1916 building and the 1955 gymnasium, the squeaky floor system is being replaced, all outer walls and the roof are being insulated, new insulated windows are being installed, new wall surfaces are being installed, acoustical dropped ceilings are being installed, the interior space is being redesigned to accommodate a quality school program, a 15,000 square foot connecting structure is being constructed with a cafeteria, band room, and office space, and the site is being greatly improved.

The new middle school promises to be a source of pride within the community and an enhancement to downtown Grayling. It

is important to the community to maintain a major school building in town and to preserve a historical facility which holds so many memories for several generations of residents.

...The Grayling Elementary School opened this fall with five new classrooms, a new 1,800 square foot library, a new boiler, and a new roof with adequate insulation. In our mid-year budget review we have noted a significant reduction in energy consumption. The added classroom space allowed us to relocate sixth grade students from the middle school for this year and to provide a short term solution to our elementary overcrowding problem. Libraries are a high priority with the Board of Education and the new facility provides our elementary students with a beautiful and functional space.

...This summer, a new 3,600 square foot bus garage was completed next to the bus corral at the high school site. It contains three twenty by sixty bays and features a hoist. With the larger buses we have been purchasing, the old garage was inadequate. It is being renovated into a much needed industrial arts facility attached to the middle school. A fourth twenty by sixty bay was attached to the new garage to form two temporary classrooms providing the extra space necessary to allow us to relocate the seventh and eighth grades to the high school for this year. Our exemplary bus maintenance program has been enhanced with the new facility. Our annual State Police bus inspection was completed during January with no buses flagged for violations or problems. Our hats are off to our excellent transportation department!

The district, led by the Board of Education, has engaged in a major thrust during this year and last to present clean and well maintained buildings to the community. See School Report on Page 3

Boardwalk Planned For AuSable River Millpond

By Don Geiss

A boardwalk, observation platform, and osprey nest is planned for the Millpond behind the County Building as a result of a Department of Natural Resources grant and some cooperation of local organizations.

The grant, under the DNR's Non-Game Wildlife program, was awarded to the Crawford County Social Services Board. The board, with Crawford County Social Services Director Bob Porter, will use persons involved in the Community Work Experience Program (C-WEP) to construct the boardwalk and observation platform.

According to Porter, some of these employees have completed a similar project on Lake Skegemog in Kalkaska County. The work will be done using the \$2,000 granted by the DNR for materials.

Porter said that his intention in writing the project application was to provide a meaningful work experience for local public assistance recipients, to add another tourist attraction to the area and to demonstrate how the public and private sectors can work together in accomplishing a task.

The Grayling Sportsmen's Club has volunteered to provide an additional \$200 plus labor to construct the osprey nest platform. Construction of the platform for this rare hawk will involve cutting holes in the ice and embedding a tripod. The top of the tripod will be 12 to 15 feet above the water and the platform on it will be about three feet by four feet.

The osprey is a large bird of prey which plunges into the water first to capture fish as its staple diet. It is slowly recovering in popu-

lation after being affected by pesticides and lack of nest sites.

To complement the nesting platform, eventually another platform, but shorter, will be constructed to provide a feeding spot.

The boardwalk will be constructed on property along the AuSable River beginning on M-72 West where that road crosses the water. The property, owned by Skip and Gail Madsen, will also accommodate a small parking lot. The Madsens are leasing the property to the project for \$1 per year.

The entire project is expected to attract many visitors because of the abundant waterfowl to be viewed in the impoundment. The marshy character of the ground has prevented all but the most dedicated from access to the area prior to this time.

DNR Proposes Plan Protecting 300 Miles of AuSable System

Three hundred miles of the AuSable River system is being proposed for designation as a wild-scenic river by the DNR under Michigan Natural Rivers Act (Act 231, P.A. 1970).

The DNR will hold public hearings in April in Grayling, Roscommon, Mio, Harrisville, East Tawas, Gaylord, and in Lansing concerning the wild-scenic river proposal.

The DNR wants to designate about two-thirds of the 471-mile AuSable River system to protect its many natural qualities, according to the AuSable River Natural River Plan prepared by the DNR in November, 1986.

"The AuSable River has the reputation for being an outstanding trout stream as well as being extremely popular with canoeists, homeowners, and other recreationists. This plan recognizes the state and national attention the AuSable system receives and the ever constant recreational and development pressures it must endure."

The areas recommended for designation include 98 miles of mainstream, 34 miles of the South Branch, 32 miles of the North Branch, and 136 miles of tributaries.

These are the areas proposed:

Mainstream — from the confluence of Kolka and Bradford creeks (T28N, R4W), downstream to Loud Dam (Iosco County)

Kolka Creek — from the outfall of Lynn Lake (T29N, R4W) to its confluence with Bradford Creek.

Bradford Creek — from the outfall of Big Bradford Lake (T28N, R3W) to its confluence with Kolka Creek - 5 miles.

East Branch — from the outfall of Barnes Lake (T28N, R2W) to its confluence with the AuSable River - 17 miles.

South Branch — from M-76 (T23N, R1W) to its confluence with the AuSable River - 34 miles.

Hudson Creek — from its source (T24N, R2W) to its confluence with the South Branch - 6 miles.

Robinson Creek — from its source (T23N, R2W) to its confluence with the South Branch - 5 miles.

Beaver Creek — from its source (T25N, R3W) to its confluence with the South Branch - 10 miles.

East Creek — from its source (T24N, R1W) to its confluence with the South Branch - 5 miles.

South Creek — from its source (T24N, R1W) to its confluence with the South Branch - 1 mile.

ch-3 miles.

North Branch—from the outfall of Bell Marie Lake (T29N, R2W) to its confluence with the AuSable River-32 miles.

Turtle Creek—from the outfall of Turtle Lake (T30N, R2W) to its confluence with the North Branch-4 miles.

Chub Creek—from the outfall of Bridge Lake (T29N, R3W) to its confluence with the North Branch-5 miles.

Big Creek—from the confluence of the East and West branches (T27N, R1W) to its confluence with the North Branch-1 mile.

West Branch Big Creek—from the outfall of Caulkins Lake (T29N, R1W) to its confluence with the East Branch Big Creek-18 miles.

Middle Branch Big Creek—from the outfall of West Twin Lake (T29N, R1E) to its confluence with the East Branch Big Creek-9 miles.

East Branch Big Creek—from the north section line of Section 27 (T28N, R1E) to its confluence with the West Branch Big Creek-14 miles.

Big Creek—from the confluence of the East and West branches (T26N, R1E) to its confluence with the AuSable River-4 miles.

West Branch Big Creek—from its source (T25N, R1E) to its confluence with the East Branch Big Creek-14 miles.

East Branch Big Creek—from its source (T25N, R2E) to its confluence with the West Branch Big Creek-11 miles.

The plan would establish an AuSable River Natural River District 400 feet wide on each side of the mainstream and tributaries. Protection of the river would come from zoning laws maintained by local or state authorities.

The zoning statutes cover building setbacks for new residential housing, minimum riverfront lot size, land use, native vegetation strips, and other zoning matters.

The plan stresses that the designation in no way means a DNR takeover of the lands. Nor will private lands be opened to public use. Private lands will remain private.

Douglas Carter, supervisor of the DNR natural rivers program, says there are 1,240 miles of state streams that have already received the wild-scenic designation.

Copies of the AuSable River Natural River Plan are available from the DNR land resource programs division, P.O. Box 30028, Lansing, 48909 (517/373-1170).

Dial-A-Ride To Get \$243,445 in Equipment

The Crawford County Transportation Authority is scheduled to receive five new buses, ten mobile radios, one monitor radio, and an office copier this year from the Michigan Department of Transportation.

The new equipment will be worth \$243,445. The five new buses will replace a 1979 bus with 235,500 miles, a 1980 bus with 269,738 miles, a 1979 with 308,000 miles, a 1980 with 225,000 miles, and a 1983 with 171,000.

David Frederick, CCTA director, said the Dial-A-Ride buses become pretty expensive to keep on the road when they reach the 170,000 to 225,000-mile range.

The MDOT announced the buses would be arriving in Grayling by mid-summer, but Frederick said the buses often don't come as

fast as scheduled for a number of reasons.

When the new buses do arrive, he said the Crawford County Dial-A-Ride system should be in good shape.

"Our fleet of 12 buses isn't all that bad of shape right now," he said. "We have four or five buses with less than 100,000 miles on them."

The MDOT has always supplied buses for the CCTA and other bus systems throughout the state.

In other CCTA news, architect and engineer proposals for the new CCTA facility are being studied. Frederick expects groundbreaking at the North Down River Road site will take place this summer and the Dial-A-Ride operation will be moved into the new building by this time next year.

BAND FESTIVAL

11 GHS Band Students Compete in High School Solo/Ensemble Festival

On Saturday, Feb. 7th, eleven Grayling band students competed at the Gaylord High School in the Solo/Ensemble Festival. The festival is different from other Band festivals in that 1) The students compete in open class. Class A school students perform against Class B, C, and D school students. 2) The events are solos, duets, trios, quartets, etc. that are competing - it is not the whole Band. These students volunteer to compete. When a I rating is attained the students are allowed to compete at the state level of competition, where more music is required and the requirements to receive a I rating is higher. When a I at state is earned, the student wins the chance to play in the state Honors Band.

I Ratings were earned by the following Grayling students: Crystal Herdon - Amy Hough, Clarinet Duet; Crystal Herdon, Clarinet Solo; Amy Hough, Piano Solo; Michelle Hallin, Bassoon Solo; Jason Teddy, Alto Sax Solo.

II Ratings, Tammy Fenton, Clarinet Solo; Kevin Austin, Clarinet Solo; Casey Goeckerman, Snare Drum Solo; Tammy Fenton - Michelle Hallin, Clarinet Duet.

III Ratings, Margo Rembowski, Clarinet Solo; Jay Ramsey - Jeni Doty, Snare & Bass Drum Duet.

These people earned Medals for the competition. The I Rated people will compete on the State level Saturday, March 28th at Ferris State College.

Carolyn Kolka, Gloria King and Mrs. Herdon chaperoned and helped with the days activities.

Coming Events

February 26th. Thurs. evening 7:30 "Winter Concert" at the Joseph Stripe Auditorium. Middle School and High School Band will be playing festival music. 5th. and 6th Grade Band will also be performing.

February 28th. Saturday afternoon the Senior High Band Festival will be at the Lars Hochstead Auditorium in Traverse City, at 2:15 p.m. No admission charge. Everyone welcome.

March 7th. Saturday is the Middle School Band Festival also at the Lars Hochstead Auditorium in Traverse City. Performance at 11:40 a.m.

AMBER EYES — This six-month-old black kitten has pretty amber eyes. To look at him, visit the county animal shelter. Donations of dog and cat food to the animal shelter are still being accepted. County residents have been donating food to the shelter to help keep expenses down and it's been working. Monthly food bills of more than \$100 have been cut to \$15.

School Report

(Continued from Page 1)

community. The sparkling results have been noticed by students, staff, parents, and community. A clean, well maintained environment is a basic expectation and our personnel have been doing an excellent job. With all three of our buildings overcrowded, we are housing more students in each of the open buildings than ever before, our personnel are still keeping them clean and operating without a hitch.

Certainly the highlight of the year occurred in April when the Michigan Department of Education recognized Grayling High School as one of seven exemplary Michigan High Schools. Grayling High School is thus one of only twenty five high schools to receive this highly sought recognition during the first three years of the program. We have always believed our high school to be one of quality but it is gratifying to be recognized by the agency charged by the State to oversee education in Michigan. The designation is already proving important to business and industry in the community. The first question asked by persons deciding whether or not to move into a community is regarding the quality of schools. In Crawford County I am proud to say that quality of education is a big plus! People are choosing to live in this com-

munity because of the quality of our schools!

Recognition of our programs as excellent is spreading. Our district gifted and talented program has been copied throughout the State. With our developmental kindergarten and primary room we are following the national trend to address the developmental levels of children in their early years.

Our faculty is our greatest asset. We are most fortunate to have a dedicated staff committed to the community and students. Turnover is unheard of in this district. Next fall fifty seven percent of our staff will have fifteen or more years of experience. Fifty eight percent have a masters degree and sixty eight percent participated in professional development with college coursework or attendance at workshops and conferences.

In closing, I must address how things are going in the schools in this year of transition. Our relocation plan was well conceived with participation from all involved groups; staff, parents, students, administration and Board. The success of the plan has exceeded all expectation.

When in transition, it means turning a corner. In our case, it is toward quality in all aspects of our program.

County Fair Affiliates With Miss Michigan Pageant

The Board of Directors of the Crawford County Fair has voted unanimously to become affiliated with the Miss Michigan Scholarship Pageant. This franchise will enable the Crawford County Fair Queen to represent the county and her sponsoring business or organization at the Miss Michigan Pageant in Muskegon in 1988. The winner of the Miss Michigan Pageant will be awarded \$25,000 in prizes and scholarships and will compete in Atlantic City for the Miss America Title. Seven additional awards of no less than \$2,500 will also be given.

The young women (17-26) must be single, never

married, and be of good moral character. Businesses and civic organizations are therefore urged to begin their selection process early on, and also note that a large portion of your sponsorship fee will be awarded as a scholarship to the winner of the Crawford

County Fair. Contestants without sponsors and sponsors looking for contestants will also be paired up, so anyone needing additional information send your inquiries to Pageant Director, Crawford County Fair Queen, P.O. Box 777, Grayling, 49738.

KCC Library Adds 'The Face of Lincoln'

"The Face of Lincoln," compiled and edited by James Mellon, has been added to the collection of the Kirtland Community College Library. This outstanding volume has been purchased through funds donated to the Library for "books of exceptional beauty or significance."

"The Face of Lincoln" is a compilation, with text, of every existing photograph of the known 136 plates on which Lincoln's image was recorded. Mellon, using advanced modern techniques and drawing on the technical skills of men like Richard Benson, the printer of historical negatives, has been able to reproduce the Lincoln pictures with new freshness and understanding of the crisis of slavery.

The Kirtland Library is open to the public from 8 a.m. to 9 p.m., Monday

through Thursday, and 8 a.m. to 4:30 p.m. on Fridays. The library is also open on Sunday from 1 p.m. to 5 p.m.

Co-Op Nursery Registration Starts

The Grayling Cooperative Nursery is now accepting registration for enrollment in the 1987-1988 school year. Registration can be directed to Eileen Papendick at Rt. #2, Box 1710, Grayling, 49738, or call 348-8861.

The Nursery is open to children three and four years of age. Four year olds meet three times a week and three year olds twice a week for half day sessions.

Under the guidance of a State certified teacher, youngsters are exposed to a wide range of experiences and subject matter.

Northern Views

By Jon Thompson

It was hard telling if Mickey Lolich was out of shape when he showed up at the Grayling Little League baseball clinic last Saturday.

At age 46, he had some grey hair and a good-sized potbelly on him. But Lolich, ranked 2nd among all lefthanded pitchers for career strikeouts, always had a rather round mound of flesh in front of him while he pitched for the Detroit Tigers.

He was wearing a Detroit Tiger uniform with number 29 on the back and it seemed to fit him well enough. When he demonstrated a throwing motion, you could still see the powerful left arm that made him a World Series hero in 1968.

Lolich charmed the audience right away with a cute story about learning to throw left-handed. Lolich said he is right-handed and does most things right-handed except for throwing a baseball.

At age 2, he said he was drag-racing a girl on tricycles when she did what many women drivers do: she ran him off the road — or the sidewalk in this case. Lolich crashed into

the kickstand of a huge Indian motorcycle and the bike crashed on top of The Mick, breaking his left collarbone.

Lolich explained that his left arm was in a sling for 12 weeks and when it was removed, the arm was practically useless. The exercises he had to do to strengthen his arm helped develop his powerful throwing motion.

And we all thought big leaguers were natural-born stars.

Besides Lolich, Tom Tresh, the former Yankee star, CMU head coach Dean Kreiner, Northwood head coach Terry J. Lynch, and college and minor league players Mick Cochran, Terry F. Lynch, and Fred Wolcott were on hand for talks and instruction. All these guys were the stars the youngsters went after for autographs. But the successful clinic — probably the best in northern Michigan — couldn't have been possible without Grayling Little League volunteers.

This is just another example of one of our local groups bringing something special to our town.

Public payroll goes up—without a vote

by Richard Millman

ONCE AGAIN this year, Michigan's top elected state officials are scheduled to receive hefty pay raises — and the people who pay the bills don't have a single thing to say about it.

As a matter of fact, the way our representative system of state government is supposed to work, the people usually don't get a direct voice on how things run. Instead, the people speak their wishes through the votes of their duly elected representatives — that is, members of the state house of representatives and state senate.

But with the pay setting system which operates in Michigan, even those votes aren't usually taken. Instead higher pay goes on the books without much public discussion and without specific decisions by elected officials.

MICHIGAN HAS something called the State Officers Compensation Commission. It meets every two years and decides how much its members think state legislators, state judges, and the governor and lieutenant governor should get in their paychecks.

Then the State Officers Compensation Commission sends its findings to the legislature, and they become law — unless they are turned down by two-thirds votes in both the state house and the state senate. They can't be raised or lowered...only rejected.

Therefore, if the lawmakers take no action, they, in effect, are approving the pay raises. And that's what happened again this year — no vote, but higher pay anyway.

There was a resolution submitted in the state senate by Sen. Edgar Fredricks to disapprove the pay hikes; Sen. Fredricks has done the same thing every two years since 1975. But for the seventh straight time, the resolution was not adopted. Instead, it was sent to a senate committee where nothing happened while the February 1 deadline as provided by law went silently past, and the pay raises went into effect.

THE NEW pay levels are really quite handsome, especially compared with what many other public officials and many others working in the non-government area are now being paid.

For the first time, Michigan elected officials will go over the \$100,000 pay mark. Of course, some football coaches and college presidents and psychiatrists and doctors — all public employees of the taxpayer, in the final analysis — already have passed that six-figure milestone.

But in 1988, both the governor and the seven members of the state supreme court will pass the \$100,000 pay level — and without a vote by any elected official, either.

The governor's pay will go from last year's level of \$85,800 up to \$92,664 this year and reach the magic \$100,077 level in 1988.

The lieutenant governor's pay will go from \$58,850 last year to \$62,970 in 1987 and up to \$67,377 in 1988.

STATE SENATORS and represen-

tatives are now paid \$36,520 base pay a year. That will go to \$38,163 this year and up to \$39,881 next year. Legislative leaders, such as speaker of the house and other leaders in the legislature, also receive pay supplements.

The supreme court justices will rise from \$81,400 at present to \$94,000 this year and \$100,000 in 1988.

The other two elected administrative officials are the attorney general and secretary of state. The legislature establishes those pay levels, which now are \$89,000 each and most likely will be raised to reflect the new salary structure.

ONE FACT that usually escapes public notice is the escalator effect that echoes throughout the state every time the salaries of supreme court justices are increased. The entire pay schedule for the whole state and local judicial system is pegged to the level of pay of the seven state supreme court justices.

For example, state court of appeals judges receive a percentage of the supreme court justices' base pay; then the circuit court judges across the state receive a lesser percentage, as do the district court judges and the probate court judges.

Thus, every time the supreme court gets a pay boost, the effects are felt in every courthouse across the state. The legislature devised this tie-in system several years ago in an attempt to achieve paycheck equity among judges across the state.

ONE OTHER EFFECT is that the relatively inexpensive act of raising the pay of seven supreme court justices by less than \$20,000 over two years really means a multi-million-dollar payroll adjustment when everything is added in among all the courts in the entire state. And, of course, pension contributions by the taxpayers are tied to pay levels, too, which means an added boost in the cost of justice.

The idea of a citizens committee to set pay for public officials became part of our state constitution by a vote of the people several years ago.

Maybe it's time to take another look at the system. I, for one, would like to see our elected representatives make these payroll decisions — and vote on them in public.

Letters to the Editor

Doesn't Military Abide By Own Law?

I sincerely hope I don't cause any resentment by writing but feel I must again view my grievances toward the military National Guard and answer Lt. Schmooch (Ret.) and his reply to my previous letter of Feb. 5th.

The Lt. accuses my letter of being misleading or giving a false impression of the new expensive, sophisticated, high usage complex, proposed year-round target range. If this is so, I sincerely apologize. However based on the booming and noise pollution that is created when the Guard is here training, I think the present small (by comparison) range gives its own impression to the community, let alone a \$20,000,000.00 of high usage year-round addition.

The Lt. also suggests that I or anyone else who enjoys the freedom afforded us in this country "should not ridicule the military and what they do." He also states "that discussing the writers of the constitution can be hazardous, as they lived 200 years ago. So let's come into 1987 and operate within our current laws, recognizing that times change and work to accomplish our goals with an objective understanding of the facts."

The above quotes really upset me — as I believe this freedom we now possess is based on the thoughts and ideals of the 56 courageous persons who signed the Declaration of Independence and the writers of the Constitution and Bill of Rights, the 3 greatest Documents

ever written for a Republic. I will agree that times have changed over the past 200 years (but not necessarily for the better in all cases) and these documents with their checks and balances have worked for 200 years to keep our freedoms. For anyone to rebuke or repudiate these documents and the writers and signers, is scary particularly when it comes from military personnel.

The Lt. says, "we should operate within our current laws." Does he propose that all our laws are constitutional or shouldn't be challenged? The military very recently had a law — in fact it was a "General Order #20 dated 10 May, 1967 — Signed by C.C. Schnepke — Adj. General of Mich., concerning the Grayling Army Airfield tactical training. It said

"Utilizing of the Airfield for tactical training exercises, utilizing live or blank ammunition and pyrotechnic materials is prohibited, due to the close proximity of Civilian residential area and commercial facilities."

On numerous occasions I and many neighbors have called to complain of firings and shootings on the airport by the military late into the night. This was the military law, correct? Why did the firing go on every year anyway? Why wasn't it halted? Doesn't the military abide by their own law? Now, last year they say the General Order has been discarded, "No longer in effect" — Why? Are there less people in close proximity now? Is this an example of living within the law you're talking about? Did a "subordinate" or the

present Adj. General decide that machine gun firing in the middle of the night was now okay because "the people of Grayling were 'no problem'?" Surely this law wasn't overturned because it was found unconstitutional.

I will sincerely agree that military training is serious "business" and that we should have highly trained skilled men operating the best equipment the taxpayer "wants" to pay for but I think that to expect Crawford County to be the experimental and training ground for all the surrounding States and their pollution, (noise and otherwise) with a conjecture that Crawford County is the only place in the "free world" that this training is possible, is pure unadulterated Bunk!

A Look Back At Our Past

23 Years Ago

Mr. and Mrs. Bud Caid and family spent Sunday with his mother, Mrs. Ruth Caid, celebrating Matt's thirteenth birthday.

There were fresh bear tracks seen near the old Collen Landing at Lake Margrethe last week, another indication of what a topsy-turvy winter we have had. Don Weaver and Paul Harbert saw the prints.

Miss Sherrie Madsen was home from Northeastern School of Commerce, Bay City, the weekend of Feb. 8 to visit her parents, the Howard Madsens. All were dinner guests at Sherrie's grandparents' the Stan Madsens, in celebration of Sherrie's 19th birthday anniversary, which falls on Feb. 12.

Mrs. Harry Souders reports seeing a cedar waxwing in the Arnold Hubbell back yard, eating the apples still clinging to the tree. This is almost unbelievable at this time of year, the waxwings being one of the latest birds to come north in the summertime, but Mrs. Souders had a good look, and she also knows her birds.

Mr. and Mrs. Raymond Root and family of Battle Creek were here over the weekend to visit the Arthur Carlsons and do some skiing.

Mr. and Mrs. Jerry Savoie and his mother Mrs. Joseph Savoie, all of

Dafer, were callers at the home of the latter's niece and family the Jack Trudgeons during the winter carnival weekend. Her brother Charles Savoie of Sault Ste. Marie was a caller Friday of the same weekend.

Nancy Albosta of Higgins Lake and Miss Michigan Winter Sports of 1963, was named Winter Queen of Central Michigan University at Mt. Pleasant on Monday of this week by the Student Senate of CMU.

Mr. and Mrs. Jack Alef were in Traverse City Wednesday of last week.

Mr. and Mrs. Richard Johnson of St. Clair Shores were weekend guests of her aunt and uncle, the Harold MacNevens.

We see by the Orlando, Florida Sentinel, that some of the Grayling folks are making good in the fishing columns, namely the "Sentinel Shad Rack." Three are listed as taking 29 shad (19 roe) fishing out of Lemon Bluff, and again as taking 6 shad (2 roe), from the same camp.

We assume they were using Ausable river flies, with no doubt the Royal Coachman the best producer.

Mrs. Richard Snyder and little daughter Margrethe Kristine of Saginaw, were guests of Mr. and Mrs. Oscar Hanson over the weekend.

Benton Jorgenson and daughter Betty Jean and son Wally of Detroit spent the weekend visiting his mother, Mrs. Adler Jorgenson.

Misses Beatrice and Virginia Peterson returned Sunday to

C.S.T.C. at Mt. Pleasant after a several days' visit with their parents, Mr. and Mrs. T.P. Peterson.

Mrs. Harry Poole and daughters of Pontiac spent the weekend visiting friends in Grayling. Dr. and Mrs. Poole were former residents of Grayling, when the former practiced his profession here.

Phil and George Van Patten of Detroit were snow train passengers Sunday, spending the day with friends.

A quiet but pretty wedding was solemnized at the South Branch parsonage last Saturday, when Miss Vera Hartman, daughter of Mr. and Mrs. Fred Hartman of Eldorado, became the bride of Robert Papenfus, son of Mrs. Lola Papenfus of Lovells. The couple were married amid a group of near relatives by Rev. Charles Starr. They were attended by Mrs. Henrietta Keith, sister of the bride, and Roy Papenfus, brother of the groom. The couple will be making their home in Lovells.

Kelley Releases Drug Task Force Report

50 and 225 grams.

The groups further called for legislation to address the problem of drugs in schools along with the better coordination of efforts by federal and state law enforcement agencies against major drug criminals.

"We're getting at mid-level drug dealers, but we're often not able to get to their sources," said Eaton County Prosecutor Michael Hocking. He added that wiretap is the best tool to gain access to the top dealers.

Isabella County Prosecutor Joseph Barberi said the strategy will educate people about the dangers of drugs and will provide stronger prosecution for those involved with serious drug crimes.

"We need to reduce the demand for drugs by developing coalitions in our schools, churches and communities," he said.

PAAM President Gerald D. Warner said that in fiscal years 1987, 1988 and 1989, \$230 million annually will be available for distribution to states for state and local narcotics law enforcements, while \$200 million in fiscal year 1987 and \$250 million in fiscal years 1988 and 1989 will be available for educational and promotional programs for drug-free schools and communities.

Kelley said the state hopes to receive \$5 to \$6 million to implement the program.

A report prepared by the Prosecuting Attorney's Association of Michigan (PAAM) will set the groundwork for a statewide strategy against drugs, Attorney General Frank Kelley announced.

The PAAM Drug Task Force report made 26 recommendations including drug educational programs in elementary and secondary schools and strengthening investigative techniques and penalties for conviction of serious drug crimes.

The report will serve as a basis for legislative and administrative recommendations to be presented to legislative leaders and Governor James Blanchard.

"A statewide strategy against drugs is a pre-condition of eligibility for funding under the federal anti-drug abuse act of 1986," Kelley said.

He added he hoped the governor and the Legislature will act quickly on the proposals saying immediate funding is necessary and the funding question of drug enforcement and education should be taken out of the political arena.

The recommendations of the report included wiretap legislation for use in investigations of major drug dealers, a reform of the state's search warrant statute to comport with federal standards, mandatory minimum sentences for drug criminals convicted for quantities between

GHS Forensics 1987 Team Opens Season February 21

Members of Grayling High School's Individual Events (Forensics) team are polishing their speeches and readings in preparation for their month-long invitational season, according to coach Nancy Lemmen. Organized and in practice since mid-January, the 1987 team has 20 members and hopes to

repeat last year's excellent performances on the invitational tournament circuit.

Individual Events, a late winter and spring activity, offers high school students their choice of participation in one of fourteen different areas, seven in public address and seven in interpre-

tation. The GHS team opens its '87 season in a tournament at Beaverton High School on February 21 and goes to

Essexville-Garber High School on February 28. Like last year, the team will present a local performance in March.

The Michigan Lottery receives many questions on instant games. The following summary provides answers to the most frequently asked questions.

Q: Has the Instant Game prize structure changed?

A: Instant game players have requested more small prizes and a chance to win more frequently. Responding to their wishes, the Lottery has changed the prize structure of the current and next few instant games.

Q: How is it different?

A: Instead of putting a major amount into a million-dollar grand prize drawing, that money will go for smaller prizes to create more winners. For example, in the current game, "Doubling Dollars," the full prize total of nearly \$10 million will go to prizes from \$2 to \$1,000. The game beginning March 10, "Cash Deal," will also offer cash prizes of \$2 to \$1,000.

Q: How many Instant Game winners were there in the last fiscal year?

A: There were nearly 16 million cash winners whose prizes ranged from \$2 to \$100,000.

Q: Do you have a breakdown of those winners?

A: Yes. The majority of the wins ranged from \$2 to \$150. There were 323 players who won \$10,000 awards; 32 won \$20,000; 14 won prizes ranging between \$10,000 and \$20,000; 18 won \$50,000, while ten won \$100,000.

Q: How much money was won in all Lottery games including Instant Games?

A: In the last fiscal year, prizes won totalled \$481 million. This does not include the full value of large prizes paid over a 20-year period.

Q: How many of those prizes were for \$1 million or more?

A: There were 94 players or clubs who won such prizes, including five instant game grand prize winners who won \$1,000 a week for life, with a minimum of \$1 million.

Q: How is such a prize paid out?

A: As in all Lottery states, most major prizes in the Michigan Lottery are paid out over a 20-year period.

Q: What if a winner dies before the 20 years pass?

A: The Lottery ALWAYS pays out the full prize amount. The remainder of any prize is paid to the estate of the deceased winner.

For submitting the question that led to this column, Bertie V. Hutson of Wyandotte has been awarded 50 tickets in the current instant game, "Doubling Dollars."

If you have a Lottery question not yet covered in these monthly columns, send it to: "Winners Circle," Michigan Lottery, P. O. Box 30077, Lansing, MI 48909.

Crawford County Arts Council Presents Ragabash Puppet Theater

Ragabash Puppet Theater, a troupe of performers and visual artists whose collective experience includes work in Europe, Asia, and the United States, will be performing "The Boy Who Wished To Live Forever," a visual theatre piece for all ages combining puppets, mime, and music at the Joseph Stripe Auditorium, Grayling High School, on Sunday, Feb. 22, at 2:00 p.m.

"The Boy Who Wished To Live Forever" features masked clowns, a scrolling paper backdrop called "crankie" created specially for the production by artist Jay Coogan, and an unusual combination of live actors with puppets of varying sizes and styles including rod, glove, and a larger than life-size body-worn puppet.

The Ragabash troupe, based in both Providence, Rhode Island, and New York City, is directed by Kathleen Pletcher who has worked with the famed classical puppet theatres in Japan. Ragabash has performed at the National Puppetry Festival, Smithsonian Institute, and numerous theaters and schools travelling as far as Alaska. Ragabash has received grant awards from

the National Endowment for the Arts, NY State Council on the Arts, and the Henson Foundation (of Muppet Fame) for work in experimental puppetry.

"The Boy," based on an Italian folktale, follows the adventures of Leonardo, a daffy boy living in the 1500's who dreams of the day when people will fly and sets out to find a land where he will live forever in order to see it. His dream takes him up mountains, through forests, and to the ocean to meet a series of hermits who have lived for

Mental Health

Understanding Mental Illness

Even the most bizarre disorders, the complete withdrawal of a person from reality or the irrational thoughts of a mentally ill person, are deeply meaningful. Although the well-trained psychiatrist may not understand every detail of the patient's symptoms, he proceeds on the tested assumption that the symptoms of mental illness are understandable.

We also would do well to start with this assumption and to understand that the symptoms of illness are not "just stupidity" or "bad heredity" or "plain cussedness." They are deeply significant expressions of the inner life of the person. Thus when a state mental hospital patient declares, "I am the mother of all the babies in this town by that machine they stole from me to put in that new hospital building,"

the inner meaning may be surmised when it is noted that the woman had married late in life, was childless, and had recently had an operation for removal of her ovaries, making her no longer capable of conceiving.

To say there is meaning in the symptoms of mental illness does not mean that the patient's discomfort can be relieved by a simple intellectual explanation. The distortions in thought and action encountered in mental illness serve a purpose. They represent a blind attempt to resolve the problems and conflicts that the mentally ill person is experiencing within himself. We may often find in a discussion with such a person that what is being said seems irrational. It is important to recognize that

the cause of the person's unusual symptoms, the background of his feelings that he is omnipotent and can control the world, or the reason for his constantly hearing threatening voices, is often deep and below the surface. All human behavior has meaning even though the purpose and meaning may be partially or completely obscure.

The person who shows signs of emotional difficulties is letting those around him know that he is ill and troubled. His illness is his way of dealing with intense problems that are too painful, too confusing, too demanding, too filled with decisions and challenges.

WARNER BROS. PRESENTS A MALPASO PRODUCTION

Bits of Talk by Fay Bovee

Several Kiwanians and their wives were in Gaylord on Thursday evening, February 5, for the Gaylord Kiwanis Club's Award Night at Hidden Valley. Many awards were given out with a special one going to one man who had completed 50 years of Kiwanis membership, first with the Hillsdale Club and after moving to Gaylord, with the Gaylord club. Attending the dinner were Richard Rasmussen, Joe and Faith Stripe, Don and Elsie Jansen, and Bob and Fay Bovee, making it an interclub for Grayling.

Earl and Vi Burns are spending the winter at their home in Grayling because of his health. He might enjoy a card or note from some of you that have known him over the years.

It is with regret that we learned of the death of Pat Meagher, wife of Bill Meagher, of Bay City. Bill and Pat were frequent Grayling visitors at their cottage on the AuSable River.

The Charlie Ficks are not only feeding birds at their bird feeder close to their house, but also a lot of deer, who seem to like the sunflower seeds too!

Bob and Fay Bovee joined his family in Mt. Pleasant for their winter weekend. Ron and Joyce Moore of Gobles, Bill and Joanne Zimmerman of Livonia, and Rev. Keith and Elnora Bovee of Ionia. Joining them on Sunday were Mrs. Evelyn Bovee, Ken and Stephanie Bovee and son, Danny, of Mt. Pleasant.

Ed and Ruth Funck spent the weekend in Grand Rapids visiting her brother, Ray Whaley and family.

Chuck and Marilyn Fick and Steve Fick spent week-end before last in St. Ignace and Mackinaw.

Guests of Dave and Shelley Lovely the previous weekend were Sue and Mark Eckert of Frankenmuth. They all enjoyed some skiing at Boyne while they were here.

Miracles in Mexico Topic For Women Aglow Meeting

The Grayling Women Aglow will be having their meeting Saturday, February 21, at St. Francis Episcopal Church, 72-W beginning at 9:30 a.m.-10:00 a.m. with tea and coffee. The ladies will join in a special workshop service from 10:00-11:00 a.m.

Cindy Bardenhager is Aglow's special speaker this month. Cindy lives in Sutton's Bay with her husband, Jim, and their two children. She has been active in Aglow for seven years and is now serving as the Northern Michigan Area Board's President. As an intercessor, Cindy longs to see women come into an intimate relationship with Jesus Christ, and for the love and joy which flow from this relationship to be manifested in their lives.

This past summer Cindy

visited the state of Chihuahua, Mexico, to witness the work of Aglow in that country. Her topic for the February meeting will be "The Power of the name of Jesus." Hearts will be stirred as she relates miracles which God is doing in Mexico and is well able to perform for us here in Grayling.

Following the meeting, there will be a (free) Mexican luncheon for all the ladies in attendance, and all are cordially invited to attend.

Slosh Sound

Fresh coconuts should be heavy for their size and you should be able to hear the milk slosh around. Coconuts without milk are spoiled. One fresh coconut yields three or four cups of grated coconut.

NEW HONOR SOCIETY MEMBERS — During a special ceremony held at Joseph Stripe Auditorium on October 20, 1986, twelve new members were inducted into the National Honor Society. The new National Honor Society mem-

bers are as follows: Front row, left to right: Carolyn E. Trudgeon, Sue Casler, Jenny Money, Angela Lynn Larson, Jennifer L. Adkins, Andrea Bedard. Back row, left to right: Jeff Renaud, Scott A. Lehto, Ronald B. Medley, Timothy M. Cook, Mike McNamara, and Joseph Jon Francis.

W.I.F. News

We have our Valentine's Day dinner and everything went great. Now we are starting our Frederic Day meetings as of Feb. 24 at 7:00 p.m. Those who are interested, are welcome to come to the meetings at the Frederic Twp. Fire Hall and give us some of your ideas.

Blood Pressure Screening Feb. 23

Mercy Hospital, Grayling in conjunction with the Crawford County Chapter of the American Red Cross, will hold its monthly Blood Pressure Screening Clinic Monday, February 23 in the hospital lobby. The clinic begins at 3:30 p.m. and concludes at 7 p.m. There is no charge to the public.

Correction

Peter Huss and Karin Fish, both from Grayling, were named to the Dean's List for Northern Michigan University's fall semester, which ended Dec. 19. Students must earn grade point averages from 3.25 to 4.00 to be named to the list.

A typographical error in the February 12th issue of the Avalanche said both students were not named to the Dean's list. The Avalanche apologizes for the error.

GHS Volleyballers Face Title Clash

It's showdown time in Grayling. Undeclared Grayling and Rogers City will meet Wednesday night, Feb. 18, at the GHS gym for an old-fashioned shoot-out for the league title.

Both teams are 5-0 in the league and this is the fourth year in a row they have met with a league title depending on the outcome. Three years ago, Grayling went to Rogers City with a chance to tie for the title. The last two years, the teams have met with undefeated league records.

Whoever is scheduling the Rogers City-Grayling match for the last league match of the year is doing a good job.

The junior varsity contest begins at 6:30 p.m. and the varsity game will begin about 7:30 p.m. Viking coach Becky Brown is expecting a real offensive game.

"They attack from all over. It should be interesting and I hope we have a good crowd come out to support the girls."

Rogers City, a perennial volleyball powerhouse, is again ranked in the class C standings.

Grayling advanced to the league title showdown with a 15-7, 15-5, 15-11 win at St. Ignace last week.

Carrie Trudgeon led the team with 39 sets. Chris Schwartz led the team with 14 tips and 12 blocks. Jenny Money also had 12 spikes and 7 blocks. Michelle Moore had 18 serves and 11 blocks. Sue Casler had 11 tips and 7 spikes. Jamie Kaiser had 13 sets and 13 tips.

In an invitational Saturday, Grayling finished 3rd behind state-ranked teams Brimley and Cedarville. Grayling defeated East

Jordan 15-3, 15-1 and beat Gaylord 15-2, 15-2. They split with Petoskey 11-15 and 15-9 and Kalkaska 4-15 and 15-11 to finish second in pool play behind Kalkaska.

They advanced to meet Charlevoix and won 15-7, 16-14. Next, Grayling met Brimley in the semi-finals and lost 1-15, 4-15. In the consolation finals, Grayling handled Kalkaska 15-12, 15-4 for third place.

Brown said her team had

an outstanding day going for saves. The team went after 67 saves during the tournament.

"The ball never hit the floor without a body hitting the floor first," Brown said.

Out of 145 players, Moore was named to the six-player all-tournament team.

Casler led the team with 67 serves and had 34 spikes and 40 tips. Trudgeon had 98 sets and 48 tips. Moore had 63 spikes and 65 blocks. Money

had 34 blocks, 28 spikes, 31 tips, and 56 serves. Kaiser had 92 sets and 46 serves. Schwartz had 36 spikes, 39 tips, and 23 serves.

At an invitational in Elk Rapids the previous Saturday, Grayling took third behind Leland and Elk Rapids. Money and Moore led the passing. Moore had 38 blocks and 15 spikes. Money had 27 serves to lead the team.

The Viking J.V. team lost to St. Ignace 5-15, 16-14, 3-15.

Fisher Wins Title

Vikings Head for Districts

Viking senior Fred Fisher won the Michigan Huron Shores Conference 132-pound weight division and six other Grayling wrestlers won

medals. Fisher became the 33rd Grayling wrestler to win a conference title. Since 1975, Rogers City wrestlers have

won 37 titles, Petoskey 36, and Grayling 33. The next school only has 14 titles.

Grayling finished with 107 points in fifth among nine teams. Petoskey won with 154½, Gaylord was 2nd with 149½, Rogers City 143, St. Ignace 115, Grayling 107, Charlevoix 105, Sault Ste. Marie 38, Onaway 33, and Cheboygan 21.

Buck Monforton, 126, and Ward Jones, 155, took second place. Tim Cook, 119, Tim Colling, 138, and Brian Kernstock 185, took third. Terry Sorenson, 105, took fourth. Kerry Harwood, 98, and Rusty Argue, 167, won team points.

Viking coach Don Ferguson said the conference is well balanced and Grayling is just one person away from having a real good team.

"If we could get one more person making the finals for us we'll be all set," he said.

Last Thursday, Grayling shot down southern rival Roscommon 35-30 in a four-way match. Grayling beat Pine River 60-21 first, beat Roscommon in an emotional match, and then let down and lost 45-24 to Gladwin.

"We were going after Roscommon, and Gladwin was going after us," Ferguson said.

Winning three matches for

Fred Fisher
Conference Champ

Grayling were Cook, 20-8-1 for the season, Tim Colling, 31-13, Jones 30-6, and Kernstock 21-8.

Jones has 22 pins and is going after the school record of 25 pins set by Barsie Cross, a state champion.

Kernstock has 18 pins.

Winning two matches were Buck Monforton, 20-9, and Fisher 27-11. Winning one match were Terry Sorenson, 20-18, Mark Lowe 20-7, John Gay, Argue, and heavy-weight Kevin Bickford.

Grayling wrestled Kalkaska at home Tuesday for Parents' Night. They travel to Kalkaska Saturday for district tournaments.

Grayling Starts New Streak

Grayling got back on the winning track last week with two close wins, 70-65 over Johannesburg and 71-68 over St. Ignace.

Last Tuesday, the Vikings overcame a record 51 turnovers and bad passes to stop Jo-burg for the second time this year.

John Kinnee led Grayling with 21 rebounds and 18 points. Jason McEvers had 16 points and 14 rebounds. He hit 7 of 9 free throws in the fourth quarter to hold off a Jo-burg rally. Todd Hull scored 11 and had 10 rebounds. Tom Bacon had 6 points and 7 assists. Todd Klinger had 6 points, David Somerville 4, Bud Ostrowski 4, Wayne Casler 3, and Todd McLane 2.

Viking coach Tom Mills said his team missed 20 shots from inside the lane in the second half. Everyone played in the game for Grayling.

Against St. Ignace, Grayling was down by a point with less than a minute to go when Somerville stole the ball. Grayling scored to go up by one and Bacon added

two free throws to give Grayling a three-point margin.

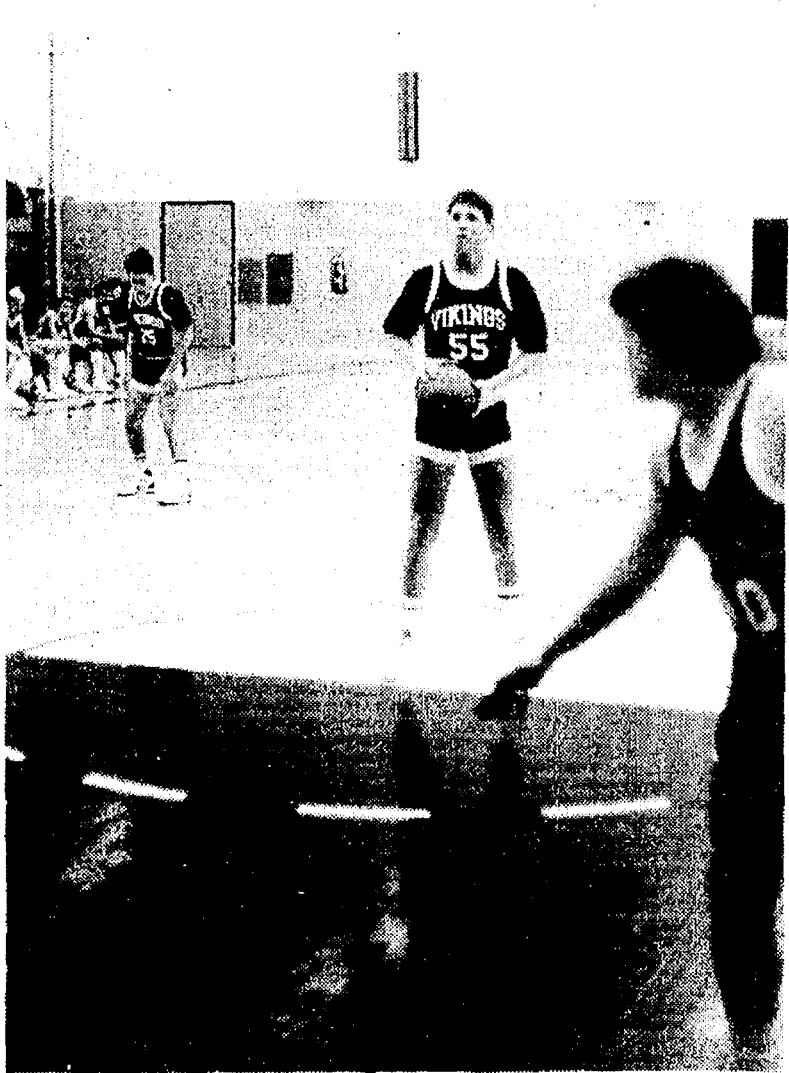

Bacon had 17 points, Hull and McEvers 15 each, Kinnee had 12, Klinger 6, Casler 2, Somerville 2, and Ostrowski 2. Kinnee had 17 rebounds, Hull 10, and McEvers 9. Both Kinnee and McEvers are nearing the 200 rebound mark for this season.

Grayling improved to 9-7 overall and 6-5 in the league. They play Charlevoix at home this Friday for Parents' Night.

The Grayling J.V. team beat Johannesburg 69-43 although the Vikings had only a slim 33-32 halftime lead. Skidmore scored 18, Baynham 13, Jung 9, Mead 8, Moss 8, Bonamie 7, Lamie 2, Porter 2, and Shippy 2.

Against St. Ignace, Grayling lost 67-59 after trailing 45-42 going into the last quarter. The Vikings led 30-29 at half.

Mead led the team with 14, Baynham had 9, Jung 7, Bonamie 7, Doremire 6, Skidmore 6, Austin 4, Schmidt 2, Porter 2, and Shippy 2.

AFTER REBOUND RECORD — John Kinnee, shown shooting a free throw, is chasing the 200-rebound mark with Jason McEvers.

3 Skiers Earn Medals In Conference Action

The Michigan Shores League Ski meet was held Thursday, February 12th, at Nubs Nob.

The Grayling Girls finished 4th behind Conference Champions Harbor Springs, 2nd place Charlevoix and 3rd place Petoskey while beating Gaylord which finished 5th, Bellaire 6th, East Jordan 7th, Boyne City 8th and Sault Ste. Marie 9th.

The girls were led by Carl Longworth who finished 21st in slalom and 10th in giant slalom for a medal in that event. Longworth was followed by Julie Huss who straddled a gate in her first slalom run to finish 31st but who came back to take a medal with a 9th place giant slalom finish. Pam Lange who was 23rd in slalom and 24th in giant slalom, Lori

Gust who was 24th in slalom and 25th in giant slalom, Jennie Branch who placed 28th slalom and 29th in giant slalom and Dena Thayer who also fell in her first slalom run to finish 44th in that event and came back for a 21st place finish in giant slalom.

The boys team finished in 5th place behind 1st place Petoskey, 2nd place Charlevoix, 3rd place Gaylord and 4th place Harbor Springs while besting 6th place Bellaire, 7th place Boyne City, 8th place East Jordan and 9th place Sault Ste. Marie.

Jayson Welsor was the top Viking skier for the entire meet and a dual medalist as he grabbed a 9th in slalom and finished 7th in giant slalom. Welsor was followed by Tim Hickey who was 27th

in slalom and 14th in giant slalom, Flaskie Robins who was 30th in slalom and 26th in giant slalom, Mike Burkley who was 40th in slalom and 30th in giant slalom, Mike McNamara who was 36th in slalom and 42nd in giant slalom and John Jurkovich who was 38th in slalom and 46th in giant slalom.

Coach Mike Wieland chose as Viking Racers of the Week Conference Medalists, Jayson Welsor, Carl Longworth and Julie Huss together with Dena Thayer who was the 3rd fastest on the team in slalom at Roscommon and in giant slalom at the Conference Meet and Flaskie Robins who racing for the first time this season after recovery from surgery, was 3rd fastest on the boys team at both the Roscommon and conference meet.

GHS Skiers Beat Roscommon

Skiing at Skyline on Monday, February 9th, both the boys and the girls teams defeated the Roscommon Bucks in a dual meet marked by a perfect 1st through 6th place sweep by the girls in slalom and a narrow overall one point victory by the boys.

The girls team was led by Julie Huss who was 1st in slalom and 2nd in giant slalom against Roscommon's top girls who took advantage of their home hill to ski very well only to be victimized by falls. Carl Longworth was 2nd in slalom and 3rd in giant slalom followed by Dena Thayer who was 3rd in slalom and tied with Jennie Branch for 5th in giant slalom who in turn finished 8th in slalom. Pam Lange was 4th in slalom and 7th in giant slalom while Lori Gust captured a 5th in slalom and 11th in giant slalom.

The Roscommon girls were led by Amy Flewelling who placed 1st in giant slalom.

The boys meet saw the Vikings take an early lead in slalom and hold off a rally by the Bucks in giant slalom to pull out a one point victory. Jayson Welsor led the boys with 1st place wins in slalom and giant slalom followed by Tim Hickey who was 3rd in slalom and giant slalom, Flaskie Robins who was 5th in slalom and 8th in giant slalom, John Jurkovich who was 7th in slalom and 10th in

giant slalom, Mike Burkley who was 10th in slalom after a fall and 9th in giant slalom, Mike McNamara who was 8th in slalom and Sean Isenhauer who was 12th in giant slalom.

The Roscommon boys were led by Dan Decker and Kurt Michelson who placed 2nd in giant slalom and slalom respectively.

4 County Athletes Win Special Olympic Medals

Twelve Special Olympians from Area 4 joined over 800 other mentally impaired athletes from throughout Michigan last week to compete in the Michigan Winter Special Olympics. The event was held at Sugarloaf Resort on February 10-13.

The event officially began with opening ceremonies which included a parade of athletes and a fireworks display over the ski hills overlooking Lake Michigan. During free time athletes could participate in various clinics and a Valentine's Dance was held as part of the closing

ceremonies.

The athletes spent the initial day in time trials. The goal at Special Olympics is to give each athlete a chance to be a winner. Time trials

are used to set up heats guaranteeing fair competition for all athletes.

Crawford County athletes were led by Angie Piehl's gold medal in the snowshoe

race. Two other Grayling athletes, Dawn Whaley and Tom Ferguson each captured bronze medals and Jerry Harris won two ribbons in cross-country skiing.

Man-Woman Team Wins Klondike AuSable Race

The Annual Klondike Derby Canoe Race on the AuSable River had a first time ever last Saturday when a couple won the event.

Bruce and Connie Barton of Homer won the grueling contest which requires the paddlers to travel downstream for about five miles and then travel the same route upstream against the current. The couple won the contest over 17 other professional canoes in a time of

42 minutes 17 seconds.

The race beginning at Ray's Canoe Livery was launched with a uniform start with all of the racers bunched up for the first few hundred yards. Eventually the leaders stretched a lead although the first few canoes followed one another across the finish line in rapid succession.

Second place in the race was taken by Brett and

Wayne Stockton of Grayling, both of whom in this area capture 1st place titles in other races.

Third place was a close finish with Brian Krantz of Traverse City and Dave Shepherd of Grayling coming out on top.

The winners received certificates Saturday evening at a dinner and professional racers meeting held at Higgins Lake.

Fighting Faculty Battles Media Marvels Feb. 23

Head for the Grayling High School gym on Monday, February 23rd, at 6:30 p.m. to witness a game of round-ball extraordinaire. Just once a year do you get to see these stars of the court in action. For the fighting faculty you'll see hoop star Bill "The King" Klinger, battling

"Butch" Hayes, "bountiful" Bill Bonkowski, Jerry "The Kid" St. Germain, dangerous Dan Ullery, Carrie "The Amazing" Mayes. Also on the court will be Lacey "Riverboat" Stephan, "Fumin" Fred Wolcott, dangerous Don Ferguson and Neil "The Eel" Longworth. For the media you can witness your favorite air personalities — "Fast Break" Jake Lazotte and Brent "Buzzsaw" Hudson from WGRY - Chris "The Whiz" Wright from WHGR/WJGS, bobbie Rob Weaver from WKPK, and battling Brian Roberts, "Magic" Mike Nichols, and Bob "Isiah" Dittmer from WQON. Jon "Dr. J." Thompson from the Avalanche will be leading the media pack.

Intermission will see entertainment by the Grayling High School pep band — and more antics from Brumhilda the Bag Lady and Lempi the clown. Naturally there will

be media cheers led by the GPA cheerleaders, and there is a promise of a surprise group of cheerleaders for the faculty.

Larry the Lip Raymond will be calling the plays and Butch Brown will be chief referee.

Tickets for this "don't

miss it" affair are only \$1.00 and will be available at the door. Grayling High School students will be selling refreshments during the game and at intermission. All proceeds go to the Milltown Parade committee of the Grayling Promotional Association.

Doodles From The Tall Timber

By Wendell L. Hoover, Park Interpreter

As I sit at my desk writing this, a glance at the calendar tells me it is February second. Somewhere out East on a hill called Gobbler's Knob, people are waiting to see if a woodchuck named Punxatawney Phil will see his shadow or not. Some call this day Ground Hog Day and even some calendars designate it as such.

February second was once a special day especially to our ancestors. This day had nothing to do with woodchucks, but rather marked the mid part of winter. Our ancestors called this day Candlemas and despite the lengthening days, the cold really takes hold. The sun is higher and makes more heat, but this is offset by the snow which reflects the heat.

Our ancestors looked to their hay, firewood and food supplies at this time. "Half the wood and half the hay, you should have on Candlemas Day." Since we are now half way through winter this saying is still true. Keep in mind those of you who dislike winter that we are closer to spring than we were in December. Also, remember that January gave us forty-five minutes of extra daylight and the short month of February will add an hour more.

CARD OF THANKS

Notes From Chris Clover

The 4-H Stamp Club will be holding a Swap 'N' Shop Friday, February 27, 1987 from 6:00-8:00 p.m., at the Fredric Public Library. Open to the public - if you are a collector bring along some stamps to trade and if you are wondering what stamp collecting is like, stop by and see the fascination of collecting history.

Did you ever want to learn about small animals? Join the fun. Frederic Pocket

Pets Club will be starting Monday, March 9, 1987 after school. Hope Grounds is the leader of this club and the meetings will take place at the leaders home or the Frederic Township Hall, depending on the size of the group. Ages on this club are, kindergarten and up. For more information or to sign up please call the 4-H office 348-2841 ext. 284.

Attention leaders: There will be a North Regional

Leader Forum on Saturday, March 28, 1987. It will be held at the Chalet in Gaylord from 9:30-3:30. This is a fantastic educational recognition opportunity for 4-H leaders. This is a great opportunity to have leaders from many counties join together and learn more about 4-H, leadership, each other and yourself. This program is co-sponsored by the Michigan 4-H Foundation so your cost will only be \$5.00 for all day.

Resource Review

Everyone who purchases a firearm, archery equipment, ammunition and some related equipment pays an excise tax added at the manufacturer as mandated by The Federal Aid in Wildlife Restoration Act, commonly known as the Pittman Robertson Program.

The receipts are collected by the IRS and transferred to the U.S. Fish and Wildlife Service. The money is then distributed back to the states on the basis of size and number of licensed hunters. Earmarked for wildlife conservation, hunter education and shooting range construction, these "P-R" funds are vitally important to wildlife resource (both game and non-game) management efforts throughout the country. This program came into being in 1937 after hunters

became concerned about the loss of suitable wildlife habitat. Human population growth, urban sprawl and pollution, accompanied by public ignorance and apathy were causing as much havoc with wildlife resources as were unregulated hunting and trapping.

Hunters and other sports men demanded and got a nationwide system of laws and professional wildlife

management which has lead to today's healthy wildlife populations.

All of this is self supporting with the money coming from the excise tax and license sales. If there were no sport hunting, there would be no money available for this husbandry and wildlife would be in dire straits.

See how much faster you can pay off your home when you choose a Great Lakes Federal Biweekly Mortgage instead of a typical fixed-rate, 30-year mortgage.

Instead of conventional monthly payments, you'll make **half-payments** every other week. The smaller, more frequent payments and the one extra annual payment make a big difference in the cost and length of your loan.

Find out how you can pay off your home sooner and save \$31,121 in interest. Ask your Realtor or call 1-800-DIAL-GLF for complete details about the Biweekly Mortgage.

*NOTE: This example is based on a \$50,000 loan with 20% down and an interest rate of 9.125% (9.47% APR). Different loan amounts and interest rates will result in significant, though different, savings. The Biweekly Mortgage is offered in conjunction with a Great Lakes Federal automatic payment checking account.

North Branch Notes

By Marlene Harris

This is the time of year that hits us hardest in our pockets. Property taxes are paid and we have a short time before our income tax is due. That's the bad news. The good news is: spring is just around the corner someplace.

This has also been a busy time of the year for our township treasurer, Dee Haberland.

Dee was born and raised at Vandercook Lake near Jackson, Michigan. She met her husband, Jim, when he was best man at her sister's wedding in 1953. After Jim made many trips between Bay City and Vandercook Lake, he and Dee were married in 1954.

Dee has frequently been employed in the fields of bookkeeping and accounting. Her mathematical skills were used at such varied places as a finance company, Roselawn Memorial Gardens cemetery in Saginaw, and a dress shop in Bay City.

She took time out in 1961 to give birth to their son, Kevin. Kevin and his wife, Sherri, have a three month old son Corey. They also have a home in our North Branch area community, so Dee sees a lot of her grandson.

Jim and Dee bought their property in Warblers Hideaway in 1965. When Jim retired in 1977 they built their home and moved to our community.

While at home raising Kevin, Dee got involved in re-upholstering furniture for a company in Saginaw. She continued, for many years, working for the Saginaw firm, making many trips hauling furniture up here to recover and the finished product back to Saginaw. Many people in our community have favorite pieces of furniture that have been re-

furnished by Dee.

She had also served on the Warblers Hideaway Association Board of Directors as Secretary-Treasurer.

In her role as township treasurer, Dee has attended workshops in Dearborn with

the Michigan Township Association. She tells me that riding the "people mover" to the Fairlane Mall is a great experience until it breaks down. She and our township clerk, Helen, had to be taken back to their room

at the Hyatt Regency by the security guards when the "people mover" ceased to move.

They were both glad to return to the north woods where the air is clean and the people are friendly.

TALENT SHOW — On November 6, 1986, the National Honor Society members held their first group activity of the season. The members organized a talent show for the residents of the Grayling Health Care Center. The activity was such a success that the students are planning another visit to the Grayling Health Care Center for the near future.

Commission on Aging

As a service for seniors, Attorney William Carey is contracted by Commission on Aging to provide legal consultations to senior citizens living in our area. Attorney Carey holds office hours at the COA office, 308 Lawndale Drive, one afternoon a month (February 20th this month); watch the COA News bulletin for future dates. Seniors are served on a first come basis between the hours of 1-2:30 p.m., and there is no charge for this visit. If further legal service is needed, the cost is between the client and Mr. Carey. If you have any questions concerning this program, call the COA office at 348-8031.

Chamber Notes

By Terry Wright

I have just had an experience that should prove very valuable to future business in the Grayling area. A call from Jim Hall of the East Michigan Tourist Association last week informed me that Grayling would be visited by two of the foremost travel writers in the midwest looking for stories for the different publications that they write for.

I have just spent eight very pleasant hours, over a two-day period, with Mrs. Dixie Franklin and Mrs. Doris Scharfenberg.

Franklin is from Marquette and writes for the Michigan Natural Resources Magazine, The National Geographic Traveler, Michigan Living, The Detroit News, The Milwaukee Journal, and is a contributing editor of Michigan Business and Lake Superior Magazines. Mrs. Franklin is currently the president of The Midwest Travel Writers Association, the vice president of The Michigan Outdoor Writers Association, a director of the Association of Great Lakes Outdoor Writers and a member of the Outdoor Writers Association of America. She also is one of three travel writers in the state to receive the "Ambassador of Tourism" award from Governor Blanchard.

Scharfenberg's credentials are equally impressive. She writes for Michigan Natural Resources, Michigan Living, Better Homes and Gardens and The Detroit Free Press. She is the author of "The Long Blue Edge of Summer," A Vacation Guide to the Shoreline of Michigan. A resident of Farmington, Mrs. Scharfenberg is the past president of the Midwest Travel Writers of America, and a member of The Society of American Travel Writers and The Journalist Guild of America. She also received the "Ambassador of Tourism" award from Governor Blanchard.

Our journeys together started with a beautiful winter hike through the Hartwick Pines State Park. Wendel Hoover of the Pines guided us through our hike and opened the logging camp building for close-up photos. After that we toured the Fish Hatchery, the Depot Museum and Camp Grayling. The ladies were very impressed with our tourist facilities and the quality of life that we enjoy because of our schools and hospital.

The next morning Mrs. Franklin and I toured the new Georgia-Pacific Resin plant and AJD Forest Products on Four Mile Road to gather information for an article that she is writing about the forest industry in our area.

Both ladies were surprised at what our area has to offer the traveler and surprised with the amount of business that a town our size enjoys.

Travel writers are very beneficial to any area that they can promote and I expect that many of the thousands of tourists that come here in the future will be the direct result of the stories that these ladies write.

Fick & Sons Gasoline Sales Top 1.3 Million Gallons

By Don Geiss

The recently completed 60 foot by 80 foot maintenance building on the C.F. Fick & Sons property is only the tip of the iceberg for this company that has a business impact reaching much further than the boundaries of Crawford County.

At first Chuck Fick worked as a driver for two years to learn the business and watch for the opportunity to obtain the franchise. He was successful in purchasing one near his home in Flint where he could service the immediate area. He noted that at that time in the early 1960's the franchises were very re-

stricted to certain boundary lines.

Strangely enough it was a business that has had a long time economic impact on Grayling that brought Fick to this area. A boy's club canoe trip was planned and he called the person who owned the franchise in Grayling to find out if he was doing business with any canoe livery. He referred him to Penrod's Canoe Livery and the trip was set.

While in the Grayling area, he visited with the franchise owner and asked him whether he might soon

him whether he might be re-

tiring soon and if he might be willing to sell the business. They agreed that on the first of November in 1964 the company would change hands. With the approval of the parent company, since he had done an excellent job in Flint, the exchange was made.

At that time the territory for gasoline and heating oil as well as the other petroleum products in this area extended only to Five Mile Road at the south, the county line north of Frederic and the east and west Crawford County lines. When he began the business the gasoline sales were 20,000 gallons per year. It grew to over 1.3 million gallons.

Now the business services from Mackinaw City to Flint and from Muskegon through-out the thumb area. In 1975

Amoco eliminated 3,500 commission agents across the U.S. and this in turn reduced company costs. The results to Fick were that he could buy the cargo directly from the boat and serve a wider area.

In his discussion of the company, Fick talked about the increasing costs of insurance and environmental protection concerns petroleum companies now have. His underground pollution and other insurance costs \$9,800 per month and each service station, no matter how much gasoline they sell, pays \$1,100 per year for the pollution insurance.

Fick said that they are branded with five different companies and serve many industrial, commercial and governmental organizations. The company has 35 em-

ployees and 48 vehicles including large tankers.

His tour of the property demonstrated some of the environmental concerns which must be built into a facility. The large storage tanks are set in a pit which is lined to make it impossible for a spill to leak into the ground. The slope of the loading zone is inclined toward the pit so that if a hose breaks, the product will flow into the pit.

In the new service building catch basins capture all ground contaminants and even in the service pit, oil is captured and siphoned off.

Fick attributes much of the success of the business to dedicated personnel, some of who commute from other towns to work each day. He remembers when first starting the business that his

competition had a company across the street. Fick could hear their outside telephone bell ringing constantly. Since that time Fick has purchased the property and now operates on that site.

Today, Fick said, the company depends heavily on computers for the ever-changing business. Major price changes are constantly updated through the computers and the inventory and charges for the individual stations are all carried on the computers.

As for the future, Fick said, that plans change from day to day but he is certain of one thing and that is he is a workaholic. From those who know and have worked with him, anything is possible and they are convinced that retirement is probably not one of the alternatives.

Dependents Will Need Social Security Number

Under the newly reformed Federal tax code, any dependent claimed on a tax return must have a social security number. The IRS will use the social security number to verify proper withholding claimed on W-4 forms. The Federal government has adopted this policy forms. The federal government has adopted this policy as part of its effort to crack down on tax cheats, says the Michigan Tax Information Council.

In the past some taxpayers have received an illegal double deduction by claiming dependent children more than once. Similarly, in case of divorce, both

parents have claimed their children on their tax returns. In this situation only the parent with legal custody of a child may claim that child as a dependent.

Taxpayers may be fined \$500 if they file a W-4 form that results in less tax being withheld than is properly allowable. In addition, criminal penalties may apply for willfully supplying false or fraudulent information requiring an increase in withholding.

An advantage to a child having a social security number is that he can open a savings account in his own name. Then when that child receives money the interest earned will not be taxed at the parent's highest rate, as it would if the child's account was in the parent's name.

To get a social security number for a child or other dependent you need an application from your local social security office. You will also need to provide evidence of age, identity, and U.S. citizenship.

Circuit Court

Manuel Salvador Mantecón, of Grayling, was sentenced on a charge of Breaking & Entering A Building with Intent of Larceny. He received a 1 year in the County jail with credit for 166 days served and 5 years probation. He must also pay restitution, \$550.00 attorney fees and \$400.00 court costs. He was arrested in August 1986 following an investigation by the Crawford County Sheriff Department.

Rayl Lynn Kellar, of Grayling, was sentenced on a charge of Resisting & Obstructing a Police Officer and on a charge of Malicious Destruction of Property \$100.00 or Less. He received 24 Months Probation and 90 days in the County jail with 3 days credit for time served. He must also pay \$400.00 costs, \$550.00 attorney fees and full restitution to the Crawford County Sheriff Department and the Department of Natural Resources. He was arrested in June 1986 by the Crawford County Sheriff Department and in July 1986 by the Grayling City Police assisted by the Department of Natural Resources.

Gabriel-Trudgeon Vows Spoken In Ceremony

The marriage vows of Miss Wanda K. Gabriel, daughter of Mr. and Mrs. Gerald T. Gabriel, and Rene D. Trudgeon, son of Mr. and Mrs. Raymond J. Trudgeon, both of Grayling were spoken at 5:30 in the evening on Saturday, January 17, 1987 at the Free Methodist Church.
The double ring ceremony was performed by Rev. Dwight L. Knasel before one hundred guests. Music was provided by Mrs. Knasel with traditional wedding music. The altar was decorated with a bouquet of purple and white violets, yellow daffodils, pink tulips, and white hyacinths with bows and lighted tapers completed the setting.
The bride wore a gown of mauve with a scoop neckline and a corsage of pink and white carnations. Mrs. Trudgeon, chose a black and white dress with scoop neckline and wore a corsage of light and dark blue roses.
Following the wedding, a reception was held in the church parlor, decorated in white and pink. Mrs. Dawn Pasternak served the wedding cake. Mrs. Toni Johnson, sister of the groom was in charge of gifts and wedding book.

Given in marriage by her father, the bride chose a traditional gown of chantilly lace over taffeta with a Queen Anne neckline surrounded by pearls and sequins, the bishop sleeves were edged with lace appliques with deep cuffs and sequins. The skirt fell from a lace accented raised waist and had a sweeping chapel length train. A crown of pearls and sequins held the cathedral length veil edged in lavish chantilly lace. She carried a bouquet of white and pink roses, white baby carnations, pink violets and baby's breath with pink, blue, yellow, and white lace streamers.
Maid of honor was Mrs. Dawn Pasternak, sister of the bride and bridesmaid was Elizabeth Corsette. Both wore long dresses of pink and carried a bouquet of white, and pink roses, baby carnations, pink violets and baby's breath.
Serving as best man was Phil Trudgeon, brother of the groom. Scott Gabriel, brother of the bride served as groomsmen. Ushers were David, and Tom Trudgeon, brothers of the groom.
For her daughter's wedding, Mrs. Gabriel chose a gown of mauve with a scoop neckline and a corsage of pink and white carnations. Mrs. Trudgeon, chose a black and white dress with scoop neckline and wore a corsage of light and dark blue roses.

New Welcome Club Formed

A new Welcome Wagon Club has been formed in Grayling announced Betty Mansfield, local Welcome Wagon Hostess.
Welcome Wagon Clubs have been formed throughout the United States with the assistance of local Welcome Wagon Representatives. All are nonprofit organizations created exclusively for charitable, educational and sociological purposes.
The Welcome Wagon Club of Grayling recently completed election of officers. Those named include: Bonnie Harrison and Ruth Pilon, co-chairpersons; Dianne Hallin, secretary; Celeste Allen, treasurer; and Ruth Malhalab, publicity chairperson.
As with all Welcome Wagon Clubs, the local organization is open to anyone who has recently moved into the community. Membership is non-discriminatory and open to all without regard to race, color, creed, marital origin, sex, income, national status, educational background or any other factor.
"We want our members to become better acquainted in a friendly atmosphere and to be able to help our community in worthwhile activities. And, it is sometimes reassuring to meet others who are also 'new to Grayling' and have the same needs and interests that you have," said Mansfield.
The next meeting will feature a tour of Mercy Hospital on February 23 at 7:00 p.m. The business meeting will be held at 8:00 p.m. with a get-acquainted time and refreshments.
The Club urges interested individuals to contact Bonnie at 348-5878 or Ruth Pilon at 343-8187.

Kiwanis Enjoy 52nd Anniversary

The Kiwanis Club of Grayling held a dinner on Monday evening, February 9, 1987, to celebrate the 52nd anniversary of the club. The affair was a Ladies Night held at the Chief Shoppenagons Motor Hotel.
The program started with dinner at 7 o'clock. Master of ceremonies was Don Jansen who arranged the dinner. Introduction of the head table of officers was done by Carl Naghtin, president. Bob Boyce gave some of the history of the club, especially information on former members and the charter group, only one of whom is still alive, Harold "Spike" MacNeven.
Following dinner, a magic show was thoroughly enjoyed by the group. David Hallin was the magician and he was assisted by his wife and child. Bum Hatfield was called upon to use some of his knowledge of hand-cuffs and locks from which the magician easily escaped.
One of the guests, Mary Wright, also was called upon to participate and she was the winner of the red carnations and a deck of cards.
Each lady was presented with a heart lapel decoration made by Mrs. Margaret Hayes.

The Bible Speaks

From Calvary Baptist Church

The New Age

Movement

Part II Psychology

Psychology and Psychiatry have abandoned Bible principles for those of Eastern Mysticism. Psychology has replaced theology and produced an Evangelical Humanism in which human depravity is rejected and the sinner's self-esteem is exalted. Instead of pointing human beings to God for help, the New Agers are pointing them to their own worth, and their own power. However, no human has supernatural power. He is either getting such power from God or Satan.

Man's worst internal problems are described in total contrast and conflict with the teachings of the Bible. As Hunt and McMahon have said, "The Bible never urges self-acceptance, self-love, self-assertion, self-confidence, self-esteem, self-forgiveness, nor any of the other selfisms that are so popular today. The answer to depression is not to accept self, but to turn from self to Christ." Los Angeles psychotherapist Nathaniel Branden, author of "The Psychology of Self and Honoring the Self" says, "I cannot think of a single psychological problem - from depression to fear of intimacy to criminal violence - that is not traceable to poor self-concept. Until we are willing to honor the self and proudly proclaim our right to do so, we cannot fight for self-esteem - and we cannot achieve it."

William Law stated the Bible view of the church many centuries ago, "Men are dead to God because they are living to Self. Self-love, self-esteem and self-seeking are the essence and the life of pride; and the Devil, the father of pride, is never absent from these

passions, nor without an influence in them. Without a death to self, there is no escape from Satan's power over us..."

New Agers ridicule the Bible emphasis upon sin, repentance, and human depravity as "worm theology." While denying the need for a new spiritual birth as found in John 3, the New Agers have developed their own LSD-induced therapy called "rebirthing." Instead of accepting the Lord Jesus Christ of the Bible, people are called upon to fantasize an imaginary Jesus which is the figment of their own imagination. John Calvin said centuries ago, "...when miserable men do seek after God...they do not conceive of him in the character in which he is manifested, but imagine him to be whatever their own rashness has devised...it is not him they worship, but, instead of him, the dream and figment of their own heart."

Don't Be Wrong...

Write!

During World War II, Kate Smith made famous the statement: "If you don't write, you're wrong."

She encouraged folks on the homefront to write military people to help keep up their spirits during one of the worst wars in history.

And her admonition still rings true. Writing to people is a concrete way to touch them. There's something about a good letter that continues to bless with the passing of years. A person can read a letter over and over; can keep it tucked away in a special place and bring it out for re-reading during times of low ebb.

On impulse one day, I wrote a high school English teacher whose careful and demanding style extracted the best from me. Had it not been for her diligence, freshman English at college would have rolled me out! And I told her this.

Her response came by return mail. "A bright spot in my low day," is the way she described my letter.

The Apostle Paul was a great letter writer. And in each letter he expressed gratitude for those to whom he wrote. "I thank my God upon every remembrance of you..." (Phil. 1:3)

"If you don't write, you're wrong."

Crawford County Board of Commissioners

Regular Meeting - January 26, 1987
SYNOPSIS

The Regular Meeting of the Crawford County Board of Commissioners convened at 9:40 AM on the 26th day of January 1987 in the City of Grayling.

Commissioners present were: Kitchen, Harland, Haight, Ruddy, Miller, Joyce. Mattis was absent until 9:50 AM. County Clerk Elizabeth Wieland was present. There were 9 visitors present at various times.

IN FORMAL ACTION, COMMISSIONERS:

—Accepted the January 13, 1987 minutes with minor corrections.

—Approved payment of dues to the Michigan Sheriff's Association for the Sheriff and Undersheriff in the amount of \$170.00.

—Accepted 12 pieces of communications.

—Accepted an offer from Library Management Systems for the out-dated Law Library books in the amount of \$1,750.00. Books include: Words & Phrases, Michigan Digest, American Jurisprudence 2nd, Federal Procedural Forms, U.S. Supreme Court Digest, and ALR Federal.

—Referred two grievances concerning the AFSCME Bargaining Unit's request for arbitration to Labor Consultant Thomas Drenth, as they were initiated during negotiations of the current contracts.

—Mandated that all correspondence relating to County issues must go through the Board. —Submitted the issue of generating extra revenue for the County Ambulance Service to the Prosecutor's Office for review.

—Recommended that a copy of the Crawford County Ambulance Corp Operations Policy, outlining the procedures set in answering emergency calls, be sent to Michigan Municipal Risk Authority for review.

—Accepted the recommendation of Ways & Means Committee and ordered an IBM System - 36 PC, IBM 5150 PC, Display for PC, 3 additional terminals, two adaptable printers, the equipment operating software for same from IBM and software packages for Traffic, Criminal, and Bonds from Judicial Management Systems at a cost of \$29,000.00 for 83rd Dist. Court.

—Authorized the purchase of a computer terminal and printer to tie the 3 County Circuit of Otsego, Kalkaska and Crawford into Otsego County's mainframe with the use of a modem. Cost is estimated at \$2,000.00.

—Incorporated the additional revenues received on payment in Lieu of Tax in the 1987 General Fund Budget by increasing PILT to \$158,083.00 and decreasing Operating Transfers to \$169,817.00 to reflect the additional \$63,683.00 increase in PILT. The total budget will remain the same.

—Approved a transfer of \$35,500.00 from the 1986 General Fund to the Child Care Fund. The December print out indicated expenditures in the Fund of \$95,500.00.

—Authorized a \$50.00 registration fee and establishment of a line of credit for lodging to the Mid Winter Treasurer's Conference for Joseph Wakeley.

—Agreed to accept the offer of Tony Latusek for purchase of the property known as Parcel C described in Crawford County Register of Deeds Liber 163 Page 235 for \$24,000.00.

IN OTHER BUSINESS, COMMISSIONERS:

—Received information that MAC appointed Comm. Joyce to the MAC Labor & Manpower Steering Committee and Comm. Harland to MAC Mental Health Steering Committee.

—Heard the Sheriff's Dept. has a recreation officer working under the Green Thumb Program, that is working out very well. He assists in the new multi-purpose room 21 hours per week.

—Were informed of two changes in committee assignments. N.E. Consortium - Joyce - delegate and Ruddy Alternate; District Health - Haight replaces Joyce as a delegate and Harland will remain the other delegate.

—Were briefed on the Circuit Court proceedings held on the petition to establish a legal lake level on Salling Lake. The DNR may require a fish ladder be installed at an estimated cost of \$180,000.00. Estimated cost of the dam is between \$133,000.00 to \$177,000.00. This cost may be much higher than taxpayers in the special assessment district may be willing to pay. More information is being obtained.

—Attended the Michigan Sesquicentennial Celebration during the noon break.

—Learned that of the \$22,807.00 outstanding ambulance bills, approximately \$15,000.00 of same has been turned over to the Prosecutor's office for collection.

—Discussed with the Board's representatives, the long range plans of the Fish Hatchery Committee.

—Heard brief up-dates from various other committees.

Full text of official minutes are on file in the Clerk's office.

4-H Launches Blue Sky Television Series

A new 4-H television series, "Blue Sky Below My Feet — Adventures in Space Technology," was released on January 19, 1987, according to Shelley Hubbard, 4-H Program Assistant. The three-part video/film series, which links space technology to the everyday interests of boys and girls age 9 to 12, is being offered as an educational program of Michigan State University through Crawford County Cooperative Extension Service. Hubbard says, "Blue Sky is designed for use with 4-H clubs and special interest groups, schools and other youth organizations."

According to Hubbard, Blue Sky is a stimulating introduction to the world of science and technology which uses features from the space program. The three programs, dedicated to the memory of the late astronaut Ellison Onizuka and other Challenger crew members, use space technologies to teach skills for

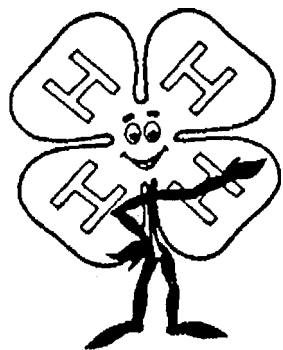

daily living on earth.

The video tape introduces "Impulse" a friendly, animated character who appears in each episode of the series. The initial segment concentrates on gravity and forces. It uses colorful footage of shuttle flights and astronauts working in weightless conditions, explains Hubbard.

The second episode focuses on fiber and fabrics as used in the manufacture of space suits and everyday clothing. This segment addresses the difference between synthetic and natural fibers and the consumer's role in selecting and caring for clothes designed for specific uses she says.

"The third episode focuses on nutrition, food and fitness. It includes scenes of astronauts preparing food in space, graphics of basic nutrients and their benefits, demonstrations in food processing and footage of NASA fitness programs," adds Hubbard.

In addition to the three, 30 minute video/films, the Blue Sky package includes curriculum materials such as a mission manual in comic book format and a leader handbook which, according to Hubbard have been developed to further enhance the learning experience.

rience of the young people. These and other support materials are available through the Crawford Extension Office.

Blue Sky was developed by a public-private team of educators representing 4-H and specialists in the Cooperative Extension Service, U.S. Department of Agriculture, National Aeronautics and Space Administration (NASA), Arthur Young, and National 4-H Council.

For more information about how to obtain the Blue Sky Package and support materials contact Shelly Hubbard 348-2841 ext. 264.

Stuffed Baked Potatoes

3 large baking potatoes
1 cup cottage cheese
1/4 cup (1/2 stick) butter, softened

2 tbsp. chopped chives or green onion
1/4 tsp. salt
1/4 tsp. white pepper
2 tbsp. chopped pimiento

Preheat oven to 400°F. Scrub potatoes; puncture skins with fork several times. Bake 1 hour. Increase oven temperature to 450°F. Cut hot potatoes in half lengthwise; scoop out potato, saving shells. Whip together potato, cottage cheese, butter, chives, salt and pepper until fluffy. Fold in pimiento. Divide into potato shells. Return to oven for 12 to 15 minutes or until hot.

Bacon Tips

Bacon does not freeze well for long periods of time. Sliced packaged bacon tends to go rancid faster than slab bacon.

NOTICE OF MORTGAGE SALE

Default having been made in the terms and conditions of a certain mortgage made by Norman G. Dupuis and Glenda D. Dupuis, his wife, of 557 N. Rochester Road, Oxford, Michigan, 48051, Mortgagees, to the Grayling State Bank, a Michigan Corporation, of Grayling, Michigan 49738 Mortgagee, dated December 23, 1977, and recorded in the office of the Register of Deeds for the County of Crawford, and State of Michigan, on the 28th day of December, 1977, in Liber 165, of Crawford County Register, on Page 543, on which mortgage there is claimed to be due, at the date of this action, for principal and interest, the sum of TEN THOUSAND, TWO HUNDRED FIFTY-FIVE and 68/100 Dollars (\$10,255.68).

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage, or any part thereof, NOW THEREFORE, by virtue of the power of sale contained in said Mortgage, and pursuant to the statute of the State of Michigan, in such case made and provided, notice is hereby given that on the 15th day of May, 1987 at 10:00 A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage, or so much thereof, as may be necessary to pay the amount due, as aforesaid on said mortgage, with the interest thereon at 10% per annum, and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan, Township of Beaver Creek, County of Crawford, to-wit:

All that part of the East 1/2 of the NE 1/4 of Sec. 29, T25N, R3W, lying southwesterly of the right-of-way of Interstate 75 Highway containing 72.5 acres, more or less; together with an easement of ingress and egress from M-76 highway over the existing trail road located over the NE 1/4 of the SE 1/4 of Sec. 29, T25N, R3W, being 33 feet in width.

The redemption period shall be ONE YEAR from the date of such sale.

Electric or Kerosene

Is electric cheaper than kerosene when it comes to portable spot heating in the home? There are roughly 40 times as many BTU's (heating units) in a gallon of kerosene as there are in a kilowatt hour of electricity. Take your electric rate, which was printed on your last bill, multiply it by 40 and compare it to the price of a gallon of kerosene. That will tell you whether the kerosene is really cheaper than the electricity.

STATE OF MICHIGAN OIL AND GAS LEASE AUCTION

Oil and Gas lease rights in approximately 103,138.45 acres of state-owned minerals in the following Michigan counties will be offered at an oral-bid auction: Allegan, Bay, Benzie, Clare, Crawford, Gladwin, Isabella, Jackson, Kalamazoo, Lake, Livingston, Manistee, Mecosta, Midland, Muskegon, Montcalm, Newaygo, Oceana, Ogemaw, Oshtemo, Otsego, Presque Isle, Roscommon, St. Clair, Saginaw and Wexford.

Conditions of lease sale offering:

REGISTRATION OF BIDDERS will be held from 8:00 a.m. to 9:30 a.m. on Monday, March 16, 1987 at the Clarion Hotel and Conference Center, 6820 South Cedar Street, Lansing, Michigan

OFFERING OF LEASE RIGHTS will begin at 9:30 a.m. on Monday, March 16, 1987 at the Clarion Hotel and Conference Center (address above) and will continue until all descriptions have been offered.

Bid may be submitted by individuals of legal age, a partnership or corporation or other legal entity qualified to do business in the State of Michigan. Prospective bidders should be prepared to submit such proof at the time of registration.

THE TOTAL BONUS BID MUST BE PAID ON THE SAME DAY THE LEASE RIGHTS ARE BID IN. Prospective bidders who do not have an established credit rating with the Department of Natural Resources through prior leasing of state-owned lands must pay at least one-half of the TOTAL bonus bid by cash, certified check, cashier's check or money order. A credit rating may be established by filing with the Real Estate Division three letter of reference, one of which must be from a bank.

The successful bidder must also be prepared to file with the Real Estate Division a commercial surety oil and gas lease bond. The amount of bond will depend on the total number of acres leased. The successful bidders will be notified of the amount of bond required.

Specified descriptions and further particulars available upon request.

When buying fresh oranges, select those that are firm and heavy for their size. Those that are puffy or spongy will give less juice.

Keeping Healthy

This Form of Flu Can Be Prevented

January is the middle of the colds and flu season, but not all of those 24-hour "bugs" are caught from sick friends at work and in school. Some will suffer the flu-like discomfort of food poisoning this winter. Food poisoning can be avoided.

The bacteria responsible for food poisoning grow best between 45 and 120 degrees. Bag lunches kept at room temperature offer a good place for bacteria to grow. If bacteria are present, it takes only a few hours for them to get going.

Promptly refrigerate any leftovers to be used later in a bag lunch.

If a refrigerator is handy, store sack lunches in it until ready to eat. If refrigeration is not available, don't carry cooked or uncooked foods containing eggs in a sack lunch. Cooked meat and fish in sandwiches or salads can also be unsafe if not handled properly and kept cold.

Use a thermos or vacuum bottle to keep hot foods hot and cold foods cold. Sandwiches can be made the night before, wrapped and frozen as long as they do not contain mayonnaise.

New Council Helps Preserve Native American Culture

Artists from all over the state are participating in the Native American Arts Council - and the Michigan organization is not limited to just Indian artists.

"It's time for all cultures

to work together. Both of ours and other cultures," says Robin Menefee, the director of the Native American Arts Council and a Grayling resident.

"The Native American

Arts Council is not just for Native Americans," says Menefee. "It's for anyone who believes in preserving Native American culture."

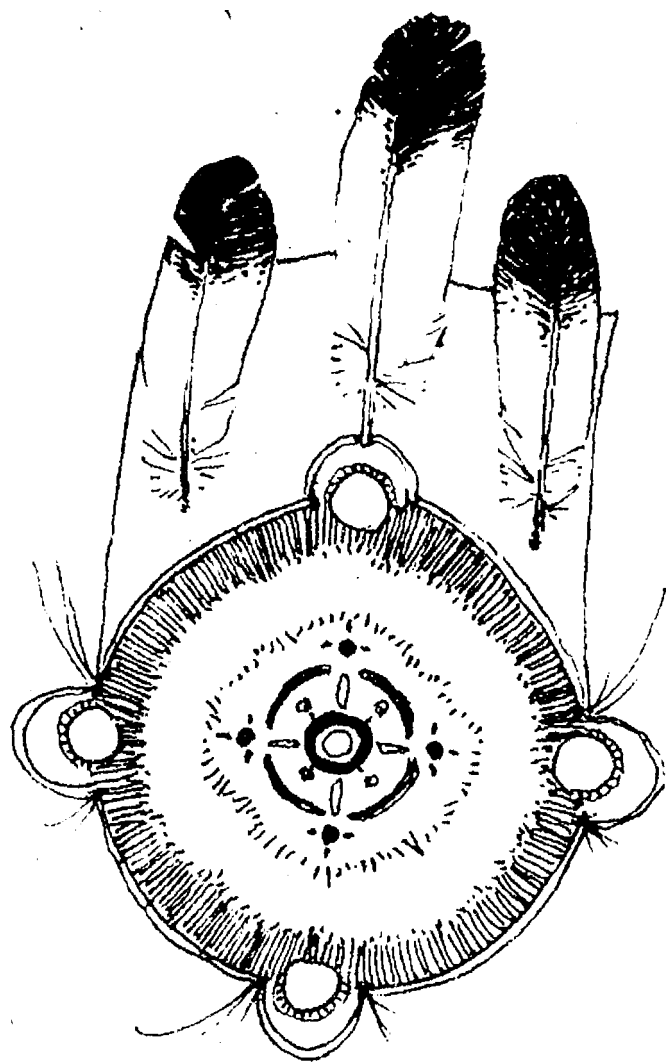

The council was started in 1986 to promote awareness and support for Indian arts, according to Menefee.

"The support is out there," he says. "We're trying to tap into it so we can provide exposure to artists, traditions, customs, and dances."

The Michigan Council for the Arts is sponsoring a show by the Native American Arts Council at the Grayling Chamber of Commerce office Saturday, Feb. 28, from noon to 6 p.m. Native American artwork, beadwork, baskets, paintings, and birchbark quillboxes will be shown and items will be on sale.

The Native American Arts Council had a display at the Sesquicentennial celebration at the county courthouse and they will be holding workshops at the Grayling and Frederic elementary schools and Kirtland Community College. They already held a workshop at the Frederic Township Hall.

Currently Native American Arts Council work can be seen at Menefee's residence along Goose Creek Road. Artists interested in the council can call Menefee at 348-3190.

Local Council Fights Child Abuse Problem

Over 40,000 cases of child abuse and neglect are reported annually in Michigan. Several agencies deal with the aftermath of such tragedies, but one organization is working to prevent the problem in Crawford and Roscommon counties. The Crawford-Roscommon Child

Protection Council is an all volunteer council which is concerned with stopping the cycle of abuse that occurs in our area.

The council has been active since July 1986 and has been working to determine the types of educational programming which will be

most effective in our area. The first step to preventing abuse and neglect is to educate the people on how prevalent the problem is. Child abuse is something that most of us do not like to think about. The Child Protection Council feels that in order to make a difference, the community must be involved and aware. The types of programming which are beneficial often concentrate on instructing school age children how to deal with issues which threaten their personal safety. Parenting skills and training professionals are two other avenues which are effective.

The Crawford-Roscommon Child Protection Council is able to concentrate on prevention activities through the support they obtain through the Children's Trust Fund. This fund was developed in 1982 by an act of state legislation to collect monies for the prevention of abuse and neglect through use of the Michigan State income tax form. The "CTF" line allows taxpayers to make a choice to donate a portion of their return to the Trust Fund. The money donated from Crawford and Roscommon counties will in part return to the counties by way of the local Child Protection Council for program development. Local contributions will make a difference.

The Crawford-Roscommon Child Protection Council meets the last Tuesday of every month at Fred's Restaurant, in Roscommon, from 12:00 p.m. to 1:30 p.m. If you would like more information about the council, please contact Nancy Ayers, chairperson, at Community Mental Health at 348-8413.

Tri-Lakes Homebuilders Assoc. Offers Logo Design Contest

Roscommon and Crawford County high school students can compete for \$100 in saving bonds given to winners in a logo contest for the Tri-Lakes Homebuilders Association of Roscommon and Crawford counties.

High school students have until May 1 to design a logo connected with the homebuilding industry. The winning logo at Grayling, Roscommon, and Houghton Lake high schools will be worth a \$25 saving bond for each winner. From the three winning entries, an overall winner will be picked and an additional \$25 saving bond will be given to the student. The logo will be used on letterheads and fliers for the Tri-Lakes Homebuilders Association. For more information about the Association call Dan Anderson, 422-5155. The next Association meeting will be Feb. 24.

Holzbauer To Speak at Christian Singles

The Christian Singles Club will have David C. Holzbauer, counselor, of Riverside Counseling Service as its guest speaker on February 28th at 7:30 p.m. at the Free Methodist Church on M-72 West. Holzbauer will speak to the group on the subject of "Loneliness." There will be an open discussion and coffee hour following. This meeting is open to single adults and is non-denominational.

Lions To Meet February 18

The regular meeting of both the Lion's and the Lioness clubs will be held Wednesday, February 18, at the Holiday Inn. Dinner is at 6:30, meeting at 7:30 p.m. The election committee will present the slate of officers they have selected for the members' approval. Another candidate for district Governor will be attending.
